

Spring Cleaning Checklist

- Dust skirting boards, ceilings & blinds
- Dust lampshades & ceiling fans (make sure the switches are off first)
- Do a thorough vacuum (don't forget those hard to reach corners)
- Mop hard floors
- Wipe any mould using an appropriate cleaning product
- Wipe off any marks on walls
- Deep clean the shower (clean shower door tracks with an old toothbrush)
- Clean the oven (including the warming drawer if applicable)
- Clean your rangehood (including the filters)
- Clean your washing machine & check and clean any dryer filters
- Clean heatpump filters
- Check drains are clear (remove any leaves or debris that may have built up)
- Clean the windows

Notes:
